To my beloved sister Beth. You will always be in my heart and I will be happily waiting for the day that we will be together again. My sister was the best! She had a wonderful marriage and raised three great kids! I know that she is very proud of them and loves them more than anything! She was a great friend to many people and always lend her ear when needed. She always opened her heart and gave a great beautiful smile! She loved her dogs and the thrill of showing and having her own dogs. My beautiful sister Beth may you rest in peace! I love you!
