She loved to sing Karaoke at parties and during the holidays. Her favorite song to sing I recall was dancing queen.

She was a loving mother of her daughter Jenna. She loved life so much I recall. She was a dedicated nurse at Northside hospital as I recall working with her at the bedside. She truly cared for her patients and her family and friends. My wife, Anita who was older sister still prays and cherishes her memory to this day. Cristina had a wonderful laugh and loved her daughter, Jenna very much. We celebrate your life to this day and she would be proud of all her daughter has accomplished. Jenna looks to carry on her mother's legacy as a nurse.
