To me aunt Gracy was the most wonderful person I knew. as a child I stayed with her for a bit. she got me interested in dog grooming, breeding anything having to do with dogs. I remember when I was young she came with her poodles dyed different colors for easter. because of Aunt Gracy i learned dog grooming and have my own shop fluff and Dry Grooming Salon When any of my customers ask me where i learned grooming I tell them my aunt Gracy she will be greatly missed and I will always remember her as she lead me on the path of a wonderful career I love you Aunt Gracy

Shelly, I am so very sorry to hear of your mother's passing. She was a strong woman and deeply devoted to you and her family. I will never forget her contagious laugh and positive spirit. She never let grass grow under her feet and lived her life happily and well. She will be missed but never forgotten. I know that your memories will comfort you and that you will pass on to her grandchildren stories of her wonderful spirit and love. With deepest sympathy, Kathleen Galloway

Shelley -Although I didn't meet your mom until her later years, I fell in love with her sweet soul immediately. What a beautiful person she was - so kind, so sweet. It was obvious how much she loved you. She will truly be missed, but how comforting it is that she is with our Lord and she will be your angel to watch over you. My love and prayers are with you and your family during this difficult time.
