I just a week ago ran into one of her students who must've been in the late 80s. She remembered her family and she said she was her flight instructor and it really touch my heart.

Linda and Cliff I am so sorry to hear about your Mom. She was always so sweet to all of the gang when we met at your house. A special lady indeed. I read all the articles about her in the newspaper and WOW what a life she had as a pilot and service she did for America. Linda my computer went down and I lost all my email addresses. Please email me and let me know how you are doing. Love to you and Cliff
