The Lord certainly blessed each of us to have the opportunity to know Ms Betty. She was certainly a blessing to Bonifay with her kind and loving heart. I will miss and treasure her usual comment to me when she would greet me "There is my favorite Mayor!" She certainly was loved by each member of my family. She introduced my daughter to her future husband and the Lord has blessed us with a wonderful granddaughter. May the Lord be with Ms Betty's family and friends as we celebrate her life and now her life with Jesus Christ our Lord and Savior. James, Suzanne, Jamie and Jeff SimsMatt, Amy and Sarah Tate

Betty was a dear friend of ours, she was a remarkable lady. We visited her often while she was at Bonifay nursing & rehab. My mother and dad were both residents there, and both passed away while Betty was there. No matter how down I was when I visited Betty, I was always uplifted by her spirit and her outlook. Our heartfelt sympathy goes out to the family.

Betty was one of the most uplifting and inspirational women I have ever known. Be proud she was your Mother and Grandmother. I was in the Bonifay Woman's Club and on the Republican Executive Committee with Betty and had worked with her on many affairs in Bonifay. She was an asset to us individually and as a community. We have lost a true friend but have many precious memories to cherish. She was very much loved by all who had the privilege of knowing her.

I first met Betty when she and I both worked for the Holmes County Advertiser. She was the office manager and also wrote items for the newspaper. She was always friendly, smiled easily, had such a wonderful outgoing personality that all those who came into the newspaper would leave smiling. I miss her very much. She brought a bright sparkle to many a dull day. Thank you for letting me know about her condition and death. Love, Sue
