Nicole Richards posted:

She was an amazing mom. I don't know what I can say about her other than that, because it sums it all up in one sentence. It's been almost five years, and I have no words to describe how much I miss her, how much she means/meant to me, how much she did for me... Nobody's forgotten her. At all. She was very much loved and she held our family together. I love her... so much.
