Karen, Mildred, and family: My prayers and condolences to all of Al's family. I worked with Al at Honeywell and he was most recently my manager. He was a quiet and gentle man as I knew him. He was liked and respected by everyone. I am shocked by this and share your pain. Find comfort in God's plan for all of us.

Hi Karen - I just viewed the lovely pictures which show me that I knew so little about you and Allen. I can see how happy you were during these times. I'm so sorry that his life has slipped away from you! I hope there will be times that we can sit and chat. Maybe you'll share more of your life with me. You are a beautiful sweet gal, and my thoughts and prayers are with you during this difficult time! Love ya, Bobbie
