Happy New Year in Heaven. Love to Mom, Pop and the Big O. Miss you more than you know. Please help to make 2012 better than 2011! Hope you are pleased that I brought you and Georgie to Gerristen Beach; seemed to be the appros spot to bring you home! Jeannie and Carl loved Brennan and Carr; Jeannie wants to make it a tradition. She loves you and misses you terribly, as do I. Sorry about the family; wish it was different!Your Donna Mary Frances always.

Thank you for the " Best Years of My Life" I miss you and wish that I could have gotten you home to New York; so sorry I could not. I know that you have been looking after me this year and I know that Georgie is with you. He missed you so much. Gracie and I are fine and I am in a good place, which you probably already know. Love to Mom, Pop and the "Big O"; please let them know there is not a day that goes not go by that I do not think of them and grateful for their love. Love you, " whole bushels, bunches, peeks and pinches"! Donna Mary
