Tina, When I think of you, I think of a caring, loving person that spoke her mind when it came to children and our profession. You loved everyone of them with all your heart and I know you touched their little hearts in many ways. You had a love for your family that I know they will always remember. May you rest in peace and your family find some peace and comfort during this time. God Bless...June Moody

Tina was such a thoughtful person and such a loving friend to me. I will never forget her. I fondly remember her generosity towards others and all the good times we had together going to Association meetings. We even did some trainings together. I love you, Tina.

Thank you Tina for lighting the way for Family Child Care Providers in Pinellas County. Your grassroots work in our field has forever impacted our profession. Your loving laugh and hug were always welcome in a room full of child care providers. Your strength and willpower to make changes against the flow at times is what set you apart. You will forever be a Hero to those of us that advocate for positive change and the welfare of the children in our state. The Florida Family Child Care Home Association will pray for your family that you left behind and look forward to someday seeing you again when our time comes. Thank you dear friend! - Lynn Gibson President of FFCCHA
