To a man in whom I loved as a friend, co-worker, Father and much more. He taught me many things that he never knew. The years that I have known him, he has never spoken a bad word about anyone. He always said what was on his mind, and he walked the walk. He always had a smile on his face from his heart. So with love, may you sail off into God's arms with a whole lots of love. Mr. Navy Man. Love you Shorty and will miss you unconditionally. With tears of love for you. Dewey.

Grandad was very special in so many ways, he will always be remembered. I know that he is in heaven with grandmother, the love of his life. When we would visit, he would frequently talk about how much he missed Eric. Now they are together with the rest of our family that has gone before us. We will miss you, but keep you alive in our hearts and minds. 105 Grandad!!
