I had the privilege of spending so much time with "gram" she was always in the kitchen, sweet tea, to die for, potato salad and taught me how to make hobo packet dinners!!! Watching her and Bobbie go thru millers meats, was enough to scare ya... Like a drill Sargent. :) picking the best of the meat.. Huge hug to the family... I wish I could be there.....

I never got the opportunity to know my grandmother's but if they were they just like Grandma Ruth, I would be delighted. May her spirit live in each of us who had the delight of knowing her.

Ruth's memory will live on through those that loved her! I have very fond memories of growing up, spending time with Aunt Ruth. She was always a happy and spirited person to be around. Besides her caring and loving manner, she was also very talented with her crafts. I will cherish the needlepointing and other keepsakes received by her over the years. Her memory will always live on! Love and miss you, Melanie Vath and Family
