Gay, Charlie was a wonderful person he was a great friend to my brother and father and helped us out a time or two with his cab. I know your heart is heavy right now, missing the man you have loved for many years. Know that friends are here for you including us. I appreciate the friendship we had with him and know that he is in Heaven smiling down on you, with that wide smile he had. He will be missed by so very many people, proof that he led a good life with you.
