Even though it is belated, I wanted to send my condolences to you and your families. I never had a chance to meet many of my father's family. I am working on his lineage and have learned that Freda married William Morris. May you days always and all ways be blessed with memories of Bill!

Freda: Bill was a great friend,who was always so very willing to help. Many times,when I needed help with the computer or numerous other things, he was always there. He was our "electrician on call", our ride to the air port or out cat's baby sitter... he was the one that was always there. I will miss him so much. My sympathy to Angie, Karl and the girls. Will see you soon.Love, June
