Our heartfelt sympathy to you Tom,Gretchen,QM, and your families...Your mom was the last of four wonderful sisters and added to the richness of our lives. We nieces and nephews were so fortunate to be the recipient of her many cards and letters over the years; her appearance and support at so many of our life events; but most of all her love. Please know how special she was to all of us and how she will remain so.Lovingly,Linda and Michael

Auntie Grace was a wonderful Aunt to me. Robes and oranges at Christmas, cards on Birthdays and lots of love and laughter in between. I will try to live my life as happily as she did hers! I miss you!

Dear Gretchen, Q.M and Tom, your mom was so special to our whole family. We will surely miss her very much. She was such an upbeat person no matter how she was feeling. She was such an inspiration to us over the past 50 plus years. We would have been there had it not been so close to the holidays.Love, Dolores & Rich

Gretchen, Tom, and Q, You are all in our thoughts. Your mom was a wonderful Aunt to me -- she ALWAYS made me feel special. I remember so many wonderful times in Florida with her and Uncle Kelly when I was growing up. My mom and I celebrated many birthdays together at their 8!st St. house during our winter/spring break vacations. Auntie was larger than life with her stories and laughter and will live on in the memories and love she shared with me. Love you all, Lou Anne
