.... :) oh goodness, Hi Aunt Marion. I'm truly sorry to hear of your passing. You know, years ago you sent me a cross stitch kit, which I loved by the way! I've been hooked on it every since! You helped me get my craftiness on, girl! ;) Thank you my dear! The one thing I always wished was that I grew up closer to the family. You held a special place in my father's heart (John, brother)! Growing up, I always thought of you as a bohemian free spirit. Oh Heavens, I imagine you still are! :) With all my heart, Love to you and the whole family, Eileen xoxo

To Marions family , Marion loved each one of you! Their was so much love in her heart for all of you! We all love you Marion and your entire family! You brought beautiful people into this world and we know it wasn't easy. I remember the great and funny times we used to have in Cliffwood together with the girls, they were so precious. And I remember the super time we all had in Perth with the boys and girls. Marion you made a wonder family for yourself! I respect you for that. I seen you struggle most of your life to provide for them and they turned out wonderful! We will always miss you, your sence of humor and your smile. We love you Marion
