Mom,It has been almost 2 1/2 months since you left me. It pains me so much because this is the longest I have ever gone in my life not talking to you. I love and miss you so much. Hoping the hurt will go away soon. I have surrounded myself with pictures of you everywhere in the house but still feel a huge void in my life without you. I want to give you a big hug...I miss my soul-mate!!!!Love you forever,Boo!!!

Mom, I miss you and love you so much. Even though my heart hurts that you are no longer here in body, I am very happy that you are with our Savior in heaven. We could never ask for a more perfect angel to watch over us. I look forward to when we will be together again. I love you! Michelle
