Tonya, May the memories of fun and laughter with your grandfather fill the heart ache that is there with his passing.

I was so saddened to hear of Curt's passing. I have such fond memories of Curt (and Adell). We all had so much fun on our annual trips to Minnesota and I can honestly say they were some of the best times of my life. Curt will always be remembered with a smile on his face and he was always there with open arms when we came to visit every Christmas day. May God bless you Kevin, Jeff, Angela and Tonya during this difficult time and know that many of us share in your loss. Another "Minnesota" angel has been added to heaven!

I am Jim Hyde's step-daughter. I don't know if Jeff, Kevin, Angela and Tonya remember me. I always looked forward to Uncle "Cricket" and Aunt Adell's visits to Tennessee. I never saw your Dad when he didn't have a big smile on his face. He always had great stories to tell and he and your Uncle Jim were always quite a pair when they got together. He was a wonderful man and he will be missed. I know my mom Pat and your Uncle Jim would be there if his health allowed it but we're sending lots of love your way. Please know we are all praying for you guys.
