Please accept my condolences for your loss. While I did not know your loved one personally, we have all been affected by the grief death causes. Revelation 21:3-5 promises that soon death will be eliminated. John 11:28,29 further assures us that we can look forward to seeing our loved ones again. How we look forward to that day! I hope these scriptures serve as a comfort to you and your family as they have me.

Thank you to all who made it to Woodlawn Cemetery and to all those who joined us at Ned's house following. We know there are many more people who could not participate for various reasons, but we know that your thoughts and prayers are with us and Betty. We thank you from the bottom of our hearts. We will never forget your kindness.

My grandmother was an amazing woman with an amazing love! I will always cherish the memories I have of her...swimming in her pool, playing with her ballerina lamp, shopping at Burdines, playing with the puppies. I am so blessed to have had her in my life, and I am even more blessed to have had her as mine. My prayers and love to the Hazelhurst and Rice Families. I love you all dearly.
