Darla, Ronnie & Family Your Mom is finally able to rest. Just wanted to leave a note of thanks for sharing your Mom with my Mom for several years. She was such a blessing, help and true friend to Mom in her later years. Wilma was always there to lend a hand and help in any way, whether it be for a ride to the doctor or church or just to share moments together. She was greatly loved and appreciated. May God give you His peace & comfort in this time and months to come. God Bless You and your family.
