Tom and I want the family to know how much we loved Suzie and that they are in our thoughts and prayers. The times we were able to spend together will always be in our hearts. Suzie left a wonderful legacy of so many great kids, grandkids and friends. A person really can't do more than that with their life. It is hard to lose a sister - but I know it would be even harder to not have had that relationship at all. We love you Suzie!
