I don't think I've ever met a more angelic and kind-hearted person. She always was wearing a beautiful smile and warmed hearts around her. Definitely I am the lucky one for knowing her. Blessings to all who mourn who loss - which I know is many. With my deepest condolences!

To Pat's Family/Love Ones: Soooo many years ago Pat moved from Augusta, Kansas and from our childhood gang to move to Florida. Many years later when Dick Rippee passed away, Pat and Tony were visiting sister Judy and I stopped by to say "hello". Pals will be Pals and felt we got connected again. So happy that we got to meet again as adults to rekindle friendship. I called Pat a few weeks ago to chat and I was on the receiving end to hear Pat. How well I know that you will miss your family mom/grandmother...but how proud you will be as you keep your chins up for the memorial funeral service. Think of you.
