# Judith B. Plante-Hadlock

JUL 28, 1941 - FEB 2, 2012

**P**lante-Hadlock, Judith B., was taken by the Lord on the afternoon of February 2, 2012 after a brief illness. Judith was surrounded by her husband and family in Gulfside Regional Hospice Center in Hudson, FL at the time of her death.

Judith was born in Barre , VT on July 28, 1941. She attended many schools in Vermont, finally graduating with a Bachelors degree in Sociology from Trinity College in Burlington. She married Richard C. PLante in their hometown of Barre in 1968 and had two children, Thomas and Mary Plante. She and Richard moved their family to Seminole, Florida in 1975 and Judith started teaching in the Pinellas County School System as an Elementary School Teacher (Paraprofessional) in 1980 which turned into a career lasting 22 years.

Richard passed away in 1986 and Judith met and married John Hadlock, her loving husband, in 1992. Judith retired from the School System in 2003 and John and Judith retired to their home in Pasco County at that time. Judith was a very spiritual Catholic and was a long time member of Holy Cross, St. Matthews, and St. Thomas Catholic churches throughout her life. Her faith in the Lord will take her on her next journey. Judith is survived by her loving husband, John Hadlock, her two loving children, Thomas and Mary Plante, her grandson John Fade IV and her two brothers, Paul and Gary Blake. She will be missed by all of the people that she has touched throughout her life.

The family asks that any and all donations be made to Gulfside Regional Hospice 6117 Trouble Creek Road New Port Richey, FL 34653 - Main Office 727-845-7254, for all of their help in making Judith's end of life the best it could have been.

I was one of Judy's classmates in the Marian High class of 1960. Although I hadn't seen her for years, she remains clearly in my memory as a lovely young woman and a straightforward, genuine friend to her classmates. My deep condolences to the family and friends she leaves behind.

Jack, Tom, & Mary, You have my deepest condolences on Judy passing away. I know I will always remember the times that we went to Florida to visit your family and getting to spend time with Judy. I will also remember the small things about Judy such as the earmuffs she would wear when visiting Vermont, even though I was not wearing shorts! Over the years, I have also enjoyed hearing updates from my father's weekly chats with Judy. I could tell from his conversations with her that she loved all of you very much. I know Judy is in a more restful place now, and just remember she will live on through all of us as she did make a mark on our lives. Let's make sure we continue to stay in touch. All of you are in my thoughts and prayers. With Love, Adam Blake

Dear Paul and Gary and families, Please accept our condolences on the loss of your sister, cousin Judith. I have fond memories of our trips to Barre with my Dad and Uncle Clark to visit the cousins and Grandma Quinlan. I also enjoyed your parents' trips to Hampton the last being a visit to the stone marker commemorating the Blake family's contribution to Hampton's founding. Judy's obituary was lovely, filled with the kind of love I'm sure she experienced during her life. We are looking forward to the reunion this summer where we can all share the memories that bind us together. Love, Paul and Terry Quinlan

Please accept my sincerest condolences at Judy's passing. I know that her Lord and Savior has received her with open arms and I trust that He will hold you all close to him at this time of loss. I was a close classmate of Judy's and our family lived just down the street from her and her family on Merchant Street in Barre. She was a loving member of our 1960 graduating class at Marian High and a good friend. Although she was unable to attend our recent 50th class reunion, I was blessed to have talked to her by phone on a couple of occasions when she was submitting her bio for our reunion book. We were able to relive a couple of old memories of our high school days and it was great to hear her voice after such a long time. Again, please know that my thoughts and prayers are with you and yours. Judy will be missed.

Hello Tom, Mary and Jack, Judy and I always shared our deep connection to and love of spirit in our conversations. I know she is in a very good place now and is still connected to her loved ones here. I believe she will come to you if you need her, just call her name, quiet your mind and wait to feel her loving presence. I always liked her directness, I suppose Mary inherited this, so I'm sure if you are troubled by something she will give you her advice straight up. Much love to you, Kate Tomasson (formerly Blake)

Dear Jack, Tom and Mary, When I think of Judy I think of the great times our family had on Walden mountain when we were children, of water skiing on Caspian Lake, of Judy's reluctance about learning to swim for fear she would sink (which she did). I think of her willingness to listen to and support her younger brothers, of her first camping trip to Bar Harbor Maine with Tom chasing him all over the campground. I think of her needing six blankets to stay warm in Vt. in July and eventually throwing in the towel and moving to Florida. I think about our weekly phone conversations after the death of our parents when she talked about her view of the world and of her love for Tom, Mary and Jake. She spoke of the care and support she received from Jack. She was a special lady who didn't ask or expect much from the world. I will miss her greatly. Love, Paul and Eileen
