I have memories of having met Homer and Brooks' mother, when we were freshmen at Miami Dade Jr. College. I lost sight of Brooks and would like to reconnect with him if possible. Please if you read this send me Brooks' new address or phone number. I am sure he would love to hear from me. Elaine Simon Class of 1960

I am sorry I will not be able to attend the service but will be thinking of all my family who are able to attend. Thank you Aunt Alice for all you have done for Grandpa & Grandma. I miss them both. They were wonderful grandparents and role models for us. Grandpa was always so gentle and kind and was always interested in what we were up to. I am so happy that Judd and I and Chelsea & Cody were able to visit with him last year.

Dear Alice and Family, I am sorry to hear of Homer's passing. He was such a sweet, patient, soft spoken and gentle man. He will always rest in a special part of my heart. Funny, I can picture he and Aggie together again. Now they need not miss each other any longer. Bob and the kids and I had some pretty fun visits with both of them when we lived in New York and New Jersey. I remember the first visit after Bob and I got married. They came for Thanksgiving when we were still in New York. I wanted everything to be perfect for my new In-laws! It almost was. Until 8 hours later when I realized the oven was not working! We all enjoyed the vegetables and homemade egg nog that day. Homer complimented me for my cooking and never said a word about the Turkey! That was 35 Thanksgivings ago and I still remember that day! God Bless you Homer! Love, Serena
