Bill, We are sorry for the loss of our precious, Jackie. You are blessed in so many ways, especially having Jackie in your life as your soul mate and to build beautiful memories over the years. We are thankful for "our" wonderful memories, our "giggle" moments and her charm. Parties at the Kaough's will never be the same, especially New Year's Eve. You and Jackie, Sandy and George were always the first one's to arrive. We are so happy for the exchange of hugs and kisses this past NYE. We will never forget her and will now focus on celebrating her life and friendship. They say that the ones you love are on this earth until their work is done; and the rest of us manage with the guidance they have given us. Jackie was one of those people. We have another angel in heaven for when it is our time. In her honor it would be nice if each of us perform one random act of kindness to a stranger AND forgive one person close to us for something they may have done. Our thoughts and prayers are with you during this difficult time God bless you and thank you for sharing such a wonderful person with us. With sincere sympathy and friendship ...
