Mr. Jorge L Aponte

OCT 20, 2012

On October 20, 2012 our Dad was reunited with our mom, brother, sister and his family. He will be on a journey that all of us will go thru someday. For 87 years, he did his best and had a full life. With pure will power, he met challenges that today will make other men give up. He self-taught his way to a position of leadership more than once and did it from the bottom up. He saw human beings at their worst and at their best in his many travels around this blue marble we live on. He did his best to be there for his loved ones and to support them. He was a good neighbor and friend. He was there as a father. He was there as a husband. He was there as a brother. He was there as a son. He is happy and at peace now but there is a hole that he will leave in all of us, we will do our best to fill that hole with the best memories of him and will feel his presence when life hurts us. He will be there for us like he always did but now as pure love. We will go on with life with the best of him in our hearts and try our best.....for sure that he did. Love you Papi and bendicion...
