Cindy Slough Knettel lit a candle in honor of Frances.

Eight years have passed. I think about you, mom, every day. When I look at this picture of you as a young lady, I see my youngest daughter, Jackie. You saw it too. The likeness is like no other. I wish you were here to see Kelley and Jackie grow into beautiful women, and your grandson into a sweet young boy. It's lonely on the holidays, and on the birthdays. I know you and dad are together again, and Kelley reminds me of him so much. She definitely took on the Slough look. Your birthday, 2/11, is coming up again. It would have been your 90th. I can just see you laughing and talking with everyone and having a good time. You always loved a good party!! I love you. Miss you. Miss you. Miss you. Cindy

I have fond memories of the entire Slough family. We spent many enjoyable days together in the 60's and early 70's. Frannie was always fun to be around. She was also helpful to me when I began teaching in Pinellas County. She was a real lady, but never stuffy.
