Bonnie, I only met your Mom a handful of times, but what I recall most vividly is her ability to find joy in food - she could make the most mundane breakfast sound simply delightful! I know she will be missed deeply by all whose lives she has touched. Love & hugs to you and your family, Lin

Rest in peace, Sue. We have such wonderful memories of times spent with you, Ken and Bonnie. We always try to celebrate Thanksgiving over here and raise our glasses to you all. Thank you for making us so welcome in your home. We will remember you every time we cook sweet potatoes and mallows with roast turkey. Reunited with Ken.
