You truly were heaven on Earth. You made everyone smile, made everyone feel comfortable and you could see the love in your eyes. I am better person just for having known you and having the pleasure of living with you for some time gave your great grand daughter wonderful memories to keep hold of. We will all miss you dearly but our love for you will continue on forever and always. You are an amazing woman and I love you. Chad is heartbroken for many reasons but I always tell him to keep his head high because his Nan would want him to do so. We love you so much Nan, until we reunite in Heaven we will miss you. But you will be in our hearts forever.

Bethene was more than a dear friend and neighbor...she was my "Florida Sister." New to Florida in 1968, leaving our family in Illinois, we became next door neighbors...and my "Florida Sister." When you needed someone to talk to, walk with or even pray with she was always there...a friendship that lasted over 44 years. We will miss you Bethene...my "Florida sister." All our love to Bobby, Todd, Carl and Tracy! From...Dee, Jim "Papa" and the Davis Family (Jimmy, Timmy, Rickie, Melody and Marty)
