Colleen Roche posted:

I am thinking of all of you during this difficult time. Your husband, father and grandfather was a man of great honor. He always had a gentle way about him, a smile on his face, and nothing but kind words to say. He will be missed by those who shared time with him and loved him. It's hard to lose someone you love, but even harder when that person is someone whose place no one can fill. All my love, Colleen.
