All-My family and yours share a history. Edna was the spine of that novel; her strength held the volume of chapters and bound us together. There are no words worthy for this chapter's ending.

Edna was family to all of us. She was a Sister to our mother and her best friend. Our hearts are heavy from this great loss. We will always treasure Edna's friendship and stories, but most of all our time together. What a wonderful lady and we thank god for the gift of having Edna becoming a part of our family. With our deepest love and heartfelt sympathy, May she rest in Peace until we all meet again. Phillis Corrow, Verna, Linda, Judy, Naida and Melvin

Diane and family: So sorry for your loss, and so glad we all got to see her while she was able to still come back to Indiana and Kentucky. I have great pictures of both of you. She had a great life and celebrate her life. Sorry cannot get down to Florida but my thoughts and prayers are with all of you. Keep in touch.
