Aunt Betty was such a happy person. Every letter she ever wrote me was like reading a book. She should have been a story writer. She had such a way with words. How I wish I had saved those letters. And, thanks to her, I have some baby and toddler pics of myself. I guess taking photos runs in the family, since I and all three of my girls are pic people. See you in heaven Aunt Betty. Love, Patty

Betty Clabaugh was a special friend and lived not far from me. Together we helped or provided the coffee after church (GOP) for several years. She was a hard worker and always willing to help. She had a great smile and gentle way regardless of the burdens she was carrying. She was a true Child of God. May she rest in peace and may her family rejoice in having been able to help her as she helped them.

We broke bread several times with Anna at her home. She was a very loving lady that was very active in her church. She will be missed by her family and friends. May she rest in peace knowing that she shared and lived her faith.
