I will always remember stopping by to see aunt Margaret and uncle Gerald with my mom and grandma when traveling through their neck of the woods. She was always so kind to us. I think of her often as I have a painting she painted so many years ago up on my house. Thinking of all of you during this time. So sorry that I can not be their tomorrow with you all.

I am sad that another member of our family has passed. I am very glad I had to visit with her earlier this fall. She had looked good that day. I remember her telling Kensey that she really did like meat! Kensey was not able to convince her otherwise. Remember the good time. Clarice

I will always remember Margaret as a beautiful lady who brought light and comfort to my father, Frank Coppins, in his final year. The Princess Martha gave them a little balcony they could sit on after dinner and share stories, a gathering hall for activities and happy hours, and a sense of family. I am blessed to have gotten to know Margaret even though the time was short. My prayers and condolences to you, her wonderful family. Please know a cherished memory of her will live on forever.
