Bonnie and John, Sorry that you lost your Dad and I see your Mom has passed away also. I still remember how your parents let me stay at their house in California for a few months. I was thankful to have a place to stay. Life is a little more lonely without your parents. Both of my parents have passed away and one sister. Bless you both and Bonnie if you want to email I think you will have my email address. Hope all is good with both of you. Love, Linda
