Mary was born on December 8, 1955 at Mineola, NY and is survived by her husband of 27 years Miles, and their children Stephanie, Jennifer, and Ben; her parents John and Marie Gassler, her brothers & sisters; John (Ellen) Gassler III; James (Laura) Gassler; Joseph (Lorie) Gassler; Maureen (Jeffrey) Nokes; Marie (David) Evans ; Therese (Jeffery) Reid ; Paul Gassler; Mary Noel (John) Bunch; Christopher (Lori Ann) Gassler ; and her God Parents Ken & Jeanne Stutt.

A strong supporter of her community, Mary was a past president of the Seminole Junior Women's Club, very active with Seminole High School Band Boosters, and Seminole Youth Athletic Association. Mary's passion was her children, family, and network of close friends who provided incredible support and encouragement throughout her illness. Mary and I met when we were Freshman in High School and me, Nancy and Mary became inseparable....the Three Musketeers! More than 37 years later, I am proud to still call Mary one of my closest and dearest friends. Since we lived just a block from each other in Hollywood, I practically lived at her house. Mary's mom will always hold a special place in my heart because she was always so kind to me....the most amazing thing about the Gassler house was they had 10 kids and it was the quietest,least chaotic house of all my friends!Two years ago, nancy, mary and I took our daughters on a cruise. They had never met but we wanted so desperately to create another generation of friends. We had a blast, the girls got along great...and it is a trip I will never forget!My heart and love go to Miles (Mary's Rock), Stephanie, Ben, Jen and all the Gasslers.I love you all....and Mary Kay, my dear dear friend...I will miss you forever.Love Always,Lisa K

Stephanie, Jennifer and Ben: I hope over time you will have so many happy thoughts and memories about your Mom in your hearts, that will power over the grief you are feeling now. Your Mom left you with so many teachings and gifts by the example she set every day of her life. I was always so impressed with how she balanced very responsible Honeywell jobs while ever on top of every thing you guys had going on. She is very proud of you and will want you to keep up with the great Drenth family traditions you have enjoyed. Make her proud and please keep her finance buddies updated with your activities. Thinking of you and your Dad, and missing your Mom!

It is with great sorrow that I learned Mary had passed away. We had worked together on a couple of the Honeywell SAP projects and Mary was always a happy and fun person to be with. Even when there was lots of stress on the job, Mary had a way to put everything in perspective and help us enjoy being together. She was an incredibly kind, caring, and all over nice lady. The world lost a great person, your family lost a wife and mother, I lost a friend, and may we all be better for having known her. May time help heal the pain of the loss, but she shall never be forgotten. A piece of Mary will live on in everyone's life she touched. Rest in peace Mary with G-ds love to the entire family.

Mary Kay was my friend. I am honored to be able to say that. It started in high school 35 years ago, but it seems like yesterday. We were on the same athletic teams and we were bound by so many loving and laughing moments. Though I live 3000 miles away, we reunited a couple of times. I got to take a mother daughter cruise and meet her beautiful girls. Good times. I met Miles and Ben when I went to visit Mary last year. What a great family. It takes a special woman to bind and grow a family like that. But you all know that Mary was a special woman. She was my friend and I miss her. Thank God that someday we will all be reunited and when that day comes...if I get to be the team captain...I'll pick Mary Kay to be on my team.Rest in Peace, Mary. Love,Nancy
