My thoughts and prayers are with you as we celebrate a great lady who we will all miss. At this time of year, I remember Mom Perry best as a master at celebrating Christmas - I'll never forget the matching red snowmobile suits for all of us - 37 years ago! What a hoot that was. I trust these sweet memories will lighten the load of her passing as we give thanks for a life well lived, for the good she brought into this world in her two sons, and for the everlasting peace she now grasps as she enters God's kingdom. Take care. - Jo

Pat please accept our condolence. I only remember meeting your'e Mom when we went to the Mets/Expos game in Montreal and we had a very enjoyable evening. I lost my Mom at this time of the year and it makes it a little difficult but you will always think about her and not just at the holiday time.
