Eva M Barber posted:

No more suffering, no more pain, she is now sitting by our Lord, and soon will begin to prepair a place for her family. Christina your mother was a wonderful mother as she loved all her children so much. She brought you in this world and you took care of her in her time of need until she decided with God that it was time to go home. One day you will be reunited and you will feel that peace also. God's love.
