- Lauren and I have many memories together in Alabama. I remember us staying up all night talking to boys and laughing til our stomachs hurt. She was a beautiful person inside and out. I thought her how to drive, she loved driving my car around. Me and Lauren had are times, good and bad- but at the end of the day we loved each other and was proud of each other. Ill never forget her, and I will always love her with all my heart. It is really hard for me to grasp this... we were already miles apart- but forever..I know Ill see her again sometime and it wont be forever, it'll for eternity.

It would be hard to pick just one fond memory of Lauren, as she was always such a pleasant person. I don't remember a time when she wasn't consuming all of her time and energy to help someone else. I think that is what i will remember most about her, is that she just gave and gave, until she only had one person left to give to, and that was god. She gave him the best thing she could, herself. Now that she is looking down on us with that beautiful smile, the stars are a little brighter from all the love she has to give. Our lord needed her to be an angel, and so she will be. Touching just as many lives in death, as she did alive. Although we all will miss her, she will be watching over all of us, guiding us through our journeys.

I can not express how sad and shocked we are. I have known Lauren since she was a little girl. My daughter Amber Kline and Lauren were good friends in middle school, they were cheerleaders together, and spent many nites at each others house. Oddly, I have continued to run into Lauren on many occasions throughout the last 10 years. Lauren always made a point to come over to me to say hi and we would catch up on how she had been doing. She was always a sweet beautiful girl who will be missed, and whos life was taken away to young. We will always keep her and her family in our prayers. I know she is with Jesus now.
