Time, as Saint Augustine says, rushes forward from the past, which no longer exists, into the present, which has no duration, and into the future, that does not yet exist. A life full of love for mankind is silenced. Charlie, we will never, ever forget the friendship forged over sixty years ago when Buffalo was a great old city and you, Charlie Sciandra were a great young man. We love you and Doris, and all of your brood. We will miss you, your smile, your love, your presence. Shirley and I will pray for you always until it's time to meet again in the ether of eternity. Dear Mrs.Sciandra & Family, We are thinking of you and your family during this difficult time, may you find peace and comfort in knowing that he was loved by all his family and friends,and that he is in a better place. I truly believe that heaven is a peaceful place and Mr. Sciandra will be watching over your family with his big smile and arms wrapped tight around each and everyone of you! I know that day by day, the pain will begin to subside somewhat, but he will continue to live through all of you in your hearts and memories. Know our thoughts are with you during your time of sorrow. Patty and Rick Afeld-Rogers
