Mom..You are Home...no pain...no suffering. You will always be close in thoughts and prayers. Your light will always shine down on the ones you loved and we will miss you terribly. Rest in The arms of the Angels, you have found your peace. God Bless your soul.

Grama, Even though you weren't well the past few weeks, the call I received on Saturday still shocked & stunned me!!! I still can't believe you are with God now. Seems as though all my childhood memories with you flooded my watering eyes & breaking heart within seconds. I remember going to your house in Hazelwood & playing in the playground behind your house, I remember when you came to visit us in Germany... so many good visits while I lived in Florida close to you...lots & lots of great memories! I'm glad you're at peace now & "home"... your beautiful soul will brighten heaven for sure. You will be missed, Grama, I love you. Rest now...
