Dear Darleen & Loretta, I am sorry to know you both are feeling this loss and sadness. Losing my mother 20 years ago, I cherish the fact that you were blessed to share your lives and children with your mother. You will look back in days a years to come and remember some great & fond times that you all shared together. Don't be surprised of how many times you will Laugh Out Loud! Remember, that your mother Helen) is really at Peace now and Dancing that Renewed Dance with Elsworth (your daddy) and their love for one another. Although we really don't know what happens when we venture to our transition to after life, I can tell you they are never gone. My mother came to me, her voice was clear as she spoke to me. This is not about me, it is about Helen & your loss. I just wanted to share with you my experience of my mother's spirit. You Mom & Dad are now together watching over you and your families. I haven't seen your mother in years, I do have fond memories of her and her kindness. Glory be to God, for his Love is stronger than any Love We will ever know. RIP Mrs. Helen M. Dryfus and thank YOU for giving me such a wonderful Friend - Your Daughter Darleen Dryfus William.
