I still miss you every day Grandma. Early morning, one day last week, I thought of something that would make you laugh and I reached for the phone to call you. Then I remembered that I couldn't and I'll be honest, I cried. I told you anyway, and I hope you heard me. I miss you so much.

To her family I want to say how sorry I am. She always had a special place in my heart even though we did not see each other very much. She was a special part of my growing up and childhood. The last time I saw her was with my late husband in 1985 when we were in Florida. I am so sorry I didn't know. She was a special person to me. We are doing our family tree and that is how I found out.

So sorry to hear of Thelma's passing. She was a great lady even though I hadn't kept in touch as much as I should. She was often in my thoughts as all of you are at this time. Blessings to all, Jacquie
