Sharon, I started at Country Hearth in April '85 and John in August '85, we became instant friends and stayed that way forever. Our times together will never be forgotten. We all new we could count on you for cookies at the tailgate parties too.I'm thankful I brought him back to my depot to work when he went back on route from merchandising. It was great for us to work together again and to know he would always help with other salesmen. He was truly one of the best friends I've ever had. I could go on and on about our good times,they will always be with me. May God Bless and if you or John ever need me I'm only a phone call away. Bill Lewzader

John was a very special person. He always had that beautiful smile and was the nicest guy you could meet. I have many happy memories of spending time with John and Sharon, whether going out for dinner or just watching a ballgame or tv show together. He loved his wife, son, family and birds very much. He was always there if you needed his help. I will always remember him for the great person that he was and will truly miss seeing him. With love and sincere sympathy. Lynne

John was a loving husband and father. He was kind and thoughtful, as everyone that met him knows. He was extremely understanding, even when I would sing happy birthday every year (off key!) He was the best brother-in-law a person could ask for and will be missed more than I can say. Sharon & John Jr, you know I'm here for anything you need. Love, Kathy

I will miss all the days I would walk outside of our house and across the street John would either be putting up someone's trash can for them, scooping up a dead squirrel off the street or getting the paper for another neighbor. He was the perfect neighbor! Sharon and John were the only neighbors would made a point to get to know us and welcome us the three years we lived across the street. Since I quit work in March, John and I would talk many days standing on the island between our houses and chat about little things, but mainly asking how each other was. John was a great man, husband to Sharon and wonderful friend. I will be honored to have him welcome me at the gates of Heaven one day. Kelley Logue
