My Dear Muriel.....I was gazing into your picture, with your Beloved Son Norman, probably around the time of your passing, sending you Love and healing thoughts. Yours and Norman's picture, from a cruise ship, sits directly under a larger picture of favorite Saints, and very near statue's of St. Francis, St. Anthony and Mother Theresa. As you send back Love to all the receptive souls who knew you in form, we all pray for Norman who dedicated his life to your comfort and happiness. God Love You, caress you in the omnipresence of His Love forever and ever.....
