Irene was my grandma she took care of me when my mom had to work and my Uncle and Aunt couldn't do it. Just being around her made me feel happy she we would sit outside and watch the pond or we would sit in her house and watch tv I remember the smell of her house and all the angel decorations and know that shes gone I miss her very much. She never had a bad thing to say about anyone and I hope she know rests in peace.

Irene was my mother, Ada Rolfe's, caregiver about 8 years ago. My family and I appreciated her kindness towards our mother and the friendship they developed while she was taking care of Ada. We were sorry to learn of her death and give our sincere condolences to Irene's family.
