We had some great times together Russ; riding, camping, working side by side on many projects. You were definitely taken way too soon but I know you are now at peace. You can now ride like the wind without any worries.

Uncle Russ, my heart is heavy knowing of your passing. i know that you are now safe with grandma, free of pain and sorrow. I really wish i could have made it to Florida to see you before you were taken home to Heaven on the 11th. no words will take away the tears or sorrow but i ask that we all celebrate your life by reflecting on the good times. i am playing some Stevie Ray Vaughan for you and remembering the good times. May the road rise up to meet you, May the wind be ever at your back May the sun shine warm upon your face And the rain fall softly on your fields And until we meet again, May God hold you in the hollow of his hand your Nephew Rob Bennett.
