I have known Flo and her family since I was 15 years old. They have been like my 2nd family..Flo like my other mother. She was funny, beautiful, very social and a very snazzy dresser too. Flo put up with all of us coming in and out all of the time..and never complained. She always was smiling and laughing at us. She would sit and talk with me even if Dottie wasn't home. I liked to visit with her often. I loved helping her feed her squirrels. She just absolutely loved it when I lost a bunch of weight last year and got my new sexy boyfriend. She just couldn't get enough of that whole thing..lol! She would keep saying.."Wow wow!"..every time I would come over and one time when she saw me at the legion. I love and miss you, Flo. I know you are with your loving husband..and enjoying and watching over your family.
