Dear jill, I can't believe u too. I'll miss u forever. No one will ever know how much u mean to me. U were that special person to me. We had the best times together. I still think about u every day. Crazy how we met into what we became. U were the female version of me. U were a great person tho. I am sorry if I ever hurt u but u know how much u meant to me. I just found out about this. Unfortunately I couldn't be there since I got shipped back to Canada. But I was with u til my final moment before being taken away. I wish I could have been there for u. I'm glad I found u and got to talk to u again just wish I could have seen u. Anyways Lucas past over Xmas I hope y'all r up there watching over me. I miss u and luv u and always will
