Goodbyes are not forever. Goodbyes are not the end. They simply mean I'll miss you until we meet again!--  
Author Unknown MAMALOLA, as we fondly called you, I am already missing you. I cannot put into words how thankful we are for being such a good, mapagmahal, maalaga, selfless grandmother that you were to us. It was heartbreaking news when we heard of your leaving us but somehow a part of me was relieved for I know that you will suffer no more and finally be reunited with our ever dearest PAPALOLO. I didn't cry instantly when I heard of your death it was when I was alone in my room and all memories of my childhood are coming back remembering you as the most caring and most soft-spoken and loving lola that you are. You never get tired of my being nosy and running to you asking you to scratch my back because that's my way of paglalambing sayo, oh how I miss those days. BUT seriously wherever you are now mamalola I want you to know that the years of love, affection and sharing your soul to us never went unnoticed even though you were far away from us for so long. In behalf of all your MAKUAPOS, WE WANT TO TELL YOU HOW MUCH WE LOVE YOU AND HOW MUCH WE WILL MISS YOU. YOU WILL ALWAYS LIVE IN OUR HEARTS..GOD BE WITH YOU AND SLEEP WELL NOW MAMALOLA.. By:MARICON and from all of US who loves and misses you
