I met Mark in 96 and we hit it off instantly. When I moved back to Boston we lost touch. I had been searching for a way to contact him online with no luck.. I decided today to search again and this is what I find. My heart goes out to his Family and Mark, you will always be in my heart. Mike

Monica, I am shocked at Marks passing. He was a devoted father who was just trying to do the best for his family. All he wanted to do was create a better life. Rest in Peace Mark as god has prepared a place for you.
