To my loving grandmother, you were the best granny I could ever ask for. I don't know what I would've done without you in my life. You were my world and I know I was yours, but it's like you always said " Tina make sure you read the bible because you never know when The Lord is coming and we will meet again in heaven." Now I know that we will one day be together and I'm happy that you are resting in peace with grandpa, titi Christy, and uncle Raymond. I know you are watching over everyday and that you are my graudian angle forever. I LOVE YOU and MISS YOU so much ❤️ I will never forget you or the wonderful memories we had together. Te quiero mucho abuela y que dios te quede para siempre. 🙏👶 I love you granny.

It was later in life that Gladys and I became acquainted. She was a cousin to my dad Guillermo Diaz. She contacted me and I was so happy to hear from her. We reunited at the Diaz Reunion. She was wonderful to my Titi/Godmother Candida Diaz. They passed within a month of each other, Much love and sympathy sent to the Diaz Family. We have lost those who have have been the glue. Rest is blessed peace Gladys.

I was looking through all the keepsakes today to find photos of you... I found the music box you gave me when we moved to Lady Lake... on the outside it says, "To My Dearest Daughter-in-law" and on the inside you had inscribed "We were never so blessed as the day you joined our family." The tune is "All the Things You Are." I'll treasure all the very, very entertaining memories I have of you... the good ones as well as the bitter ones--they make up the whole ball of wax, right? You left big hole in my heart. I bet you're doing the merengue with the angels.

Words alone can not express the emptiness I feel. You played a major role in my life at a most crucial time when I needed a mother's love and guidance. You helped me be the man I am today and I will forever be grateful and love you. I miss you but I know you are in good hands now as my dearest joanna will take care of you in heaven. May god bless your sole and know that you are loved by many. R.I.P mom.
